12in 22 Pin SATA Power and Data Extension Cable

StarTech ID: SATA22PEXT

This 12-inch, 22-Pin SATA22PEXT SATA Power and Data Extension Cable enables you to extend the reach between internal SATA power and data connections and a SATA hard drive by up to 1ft.

The extension simplifies drive installation by overcoming typical connection limitations, and it reduces the risk of damage to the drive or motherboard SATA connectors by eliminating the need to strain or stretch the cable in order to make the necessary data connection.

Applications

- Creates flexibility when building or upgrading systems
- Extend backplane adapter connections
- Extend Drive Dock connections

Features

- Female 22-pin to Male 22-pin SATA Data & Power Combo
- 12" Extension Cable
