1m (3ft) Yellow Apple® 8-pin Lightning Connector to USB Cable for iPhone / iPod / iPad

StarTech ID: USBLT1MYL

The USBLT1MYL 1m Yellow Lightning to USB Cable for iPhone, iPod, and iPad provides a stylish and reliable solution for charging and syncing your Apple® 8-pin Lightning mobile devices.

The cable is colored to suit your yellow iPhone 5c but it can be used with any of your Lightning iOS-enabled mobile devices – so don't be afraid to be colorful and select from any of our colored Lightning cables such as Pink, Green, Yellow or Blue. You can create the perfect color match with your iPhone or be creative with your own unique look!

Plus, the reversible 8-pin Lightning connector can be plugged into your iOS-enabled device with either side facing up, meaning there is no wrong way of inserting the cable into the device.

This durable cable is Apple MFi certified and backed StarTech.com's 2-year Warranty to ensure dependable performance.

Note: If your computer USB port does not deliver sufficient power and you see a "Not Charging" message on your iPad or other Apple device, you can use this 1m Lightning to USB Cable with the USB 2.0 Fast Charging Adapter (USB2CHADP) in order to fast charge your devices.
