Overview

Whether you've got a co-worker that's too close for comfort, a workstation located in a busy area, or often work in public places like cafes or airports, you're probably concerned about visual privacy and guarding the information on the screen of your Surface™ Pro. There's a simple yet effective solution: the Targus 4Vu™ Privacy Screen for Microsoft Surface Pro 6, Surface Pro (2017), and Surface Pro 4, Landscape.

Designed to attach to your Surface Pro's display and shield your data from casual viewers when held in landscape mode, the 4Vu Privacy Screen offers an opaque view of your screen to anyone not directly in front of your display or closer than 30° to either side. So you can view, read, or type with confidence, even in a crowded room.

Features

- Protects private information with constrained viewing angles to 30° from either side
- Filters blue light, minimizing eye strain
- Blocks screen glare for a comfortable viewing experience
- Over 12% brighter than competitive solutions for greater clarity and visibility
- Glossy or matte sides to suit your viewing preferences
- Reusable silicon adhesive strips for quick and easy installation
- 1 Year Limited Warranty
