

SmartFit® One-Touch Height Adjustable Monitor Arm Family

Silver Gray Single Monitor Arm – Part Number: K55470WW | UPC: 85896554707
Silver Gray Dual Monitor Arm – Part Number: K55471WW | UPC: 85896554714
Black Single Monitor Arm – Part Number: K59600WW | UPC: 85896596004
Black Dual Monitor Arm – Part Number: K59601WW | UPC: 85896596011

The Fully Articulating Single Monitor Arm with One-Touch Ease.

The SmartFit® One-Touch Height Adjustable Monitor Arm makes it easy to find the proper monitor height (and a neutral, comfortable posture) with its patented SmartFit® System and fully articulating design. A heavy duty build guarantees stability in every position while its gas spring monitor mount makes adjusting your monitor's height, depth, and angle effortless — from landscape to portrait mode.

Features include:

- SmartFit® System
- One-Touch Adjustable Arm
- Heavy Duty, Stability Focused Design
- Easy, Non-permanent Installation
- Cable Management System
- Kensington Durability
- Quick-release, Detachable VESA Mount
- Tested to meet ANSI/BIFMA Performance and Safety Standards

The Professionals' Choice™

SmartFit® One-Touch Height Adjustable Monitor Arm Family

Silver Gray Single Monitor Arm – Part Number: K55470WW | UPC: 85896554707

Silver Gray Dual Monitor Arm – Part Number: K55471WW | UPC: 85896554714

Black Single Monitor Arm – Part Number: K59600WW | UPC: 85896596004

Black Dual Monitor Arm – Part Number: K59601WW | UPC: 85896596011

SmartFit® System makes it easy to find a comfortable, neutral posture in seconds for long-term prevention of digital eye strain (computer vision syndrome), computer neck pain (tech neck), and shoulder pain from sitting at a desk

One-Touch Height Adjustable Monitor Arm with Built-in Gas Spring gives you total control over your monitor's position through effortless adjustment of its height, depth, and angle — with 6.7in – 19.9in (170mm – 505mm) height adjustment, +/-90° swivel and monitor rotation, and +/-90° tilt adjustment.

Counterbalance Tension Adjustment allows you to “tighten” or “loosen” the arm to accommodate a range of monitor weights with the same effortlessness and stability (Allen wrench included).

Heavy Duty, Stability Focused Design supports a 13in – 34in flat or curved monitor weighing up to 19.8lbs (9kg) securely. Tested to meet ANSI/BIFMA performance and safety standards, Kensington durability guarantees a more ergonomic desk setup with a proper computer monitor height for years to come.

Easy, Non-permanent Installation mountable by c-clamp [desktop thickness range: 0.39"– 3.3" (10mm-85mm)] or grommet [desktop thickness range: 0.39"–3.1" (10mm–80mm)]; grommet hole diameter 0.41"–1.97" (10.5mm – 50mm), installation is non-permanent and non-marking, for easy removal — tool kit included. A quick-release, detachable VESA plate (75mm or 100mm) makes the fully articulating arm ideal for VESA mountable monitors.

Cable Management System organizes and conceals cables while the arm lifts your external monitor up and out of the way, decluttering cables and clearing valuable desk space at once
